Chorus: Let me hide in the shadows of Your wings
 Let me hide, let me hide
 Let me hide in the shadows of Your wings
 Be my Hiding place, be my shelter

When I lose direction, when there's no way to go
A life without a destiny, no peaceful place to know
Temptations getting stronger every day
So please, be my Hiding place

Chorus: Let me hide in the shadows of Your wings
 Let me hide, let me hide
 Let me hide in the shadows of Your wings
 Be my Hiding place, be my shelter

Confused by situations, no faith inside to hold
People disappointed me by all the words they told
Love is still the answer, at least that's what they say
But it's hard, so by my Hiding place

Chorus: Let me hide in the shadows of Your wings
 Let me hide, let me hide
 Let me hide in the shadows of Your wings
 Be my Hiding place, be my shelter

Chorus: Let me hide in the shadows of Your wings
 Let me hide, let me hide
 Let me hide in the shadows of Your wings
 Be my Hiding place, be my shelter
