The song that I am singing  
Is written just for you  
Just to say 'I love you'  
And I need you too

Chorus: No one is so tender, no one is so kind  
No one is so lovely, no one is so mild  
No one is so special, no one is so true  
No one is so sweetly, no one is like you

That's why I am singing  
This song for you alone  
So that you'll be knowing  
That I love you so

Chorus: No one is so tender, no one is so kind  
No one is so lovely, no one is so mild  
No one is so special, no one is so true  
No one is so sweetly, no one is like you

Chorus: No one is so tender, no one is so kind  
No one is so lovely, no one is so mild  
No one is so special, no one is so true  
No one is so sweetly, no one is like you
